

Delta Zeta Sings

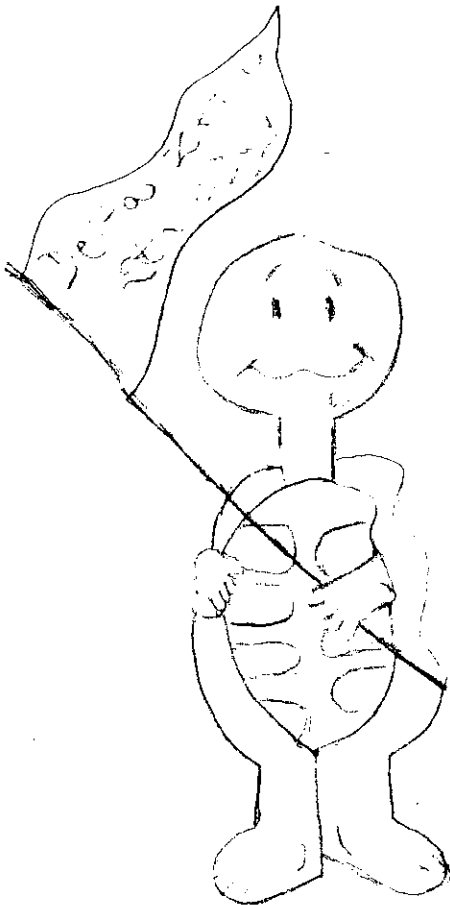

1) THE DELTA ZEE'S CAN  
"Candyman"  
By Zeta Kappa at Ohio Northern

Who can take a sisterhood, sprinkle it with care  
Cover it with love and lots of fun times to share  
The Delta Zee's can, the Delta Zee's can  
The Delta Zee's can cause they mix it up with love and make  
The world look good.

Who can take a friendship and add a little cheer  
Soak it up with fun and make your sorrows disappear  
The Delta Zee's can, the Delta Zee's can  
The Delta Zee's can cause they mix it up with love and make  
The world look good.

The Delta Zee's take every single day and  
Sprinkle it with pink and green  
Spread around sisterhood dreams  
Come see what Dee Zee means.

Who can take tomorrow, dip it in a dream  
Separate the sadness and sew up all the seams  
The Delta Zee's can, the Delta Zee's can  
The Delta Zee's can cause they mix it up with love and make  
The world look good,  
And the world looks good cause the Delta Zee's think it should!

LAND IN DELTA ZEE  
(Jimmy Buffet)  
By Theta at Ohio State University

Chorus:

I don't know  
You don't know  
I don't know where I'm going go here in Ohio

Repeat Chorus

Open house there's a lot to see  
Rushing was the right choice for me  
Some people might ask why  
When you join a sorority the limit's the sky

Chorus

Go Greek!  
My rho chi wisely said to me  
Keep an open mind there's a lot to see  
Listen closely and you'll soon find  
The girls you belong with are the girls of your kind!  
Chorus

No time for you to miss your home  
You're in college now go out and roam  
Now, come on girls put on a happy face!  
In Delta Zeta you can take your place!

Chorus: 2x

Thank God I didn't go to Michigan  
I know what's best in the big ten  
We support the scarlet and the gray  
We're #1, what more can we say

I know the Buckeyes is where to be  
Now I need to pick my sorority  
I don't wanna go somewhere for the name  
I don't wanna go where every girl's the same  
I just wanna go where I can be me  
I want to land in DELTA ZEE  
I just wanna go where I belong  
I got nothing more to say

Chorus to the end

Sisters All - we stand together  
Through the good times and the bad  
And we learn to help each other  
When a sister's feeling sad

And remember even when our college  
Days come to a close  
Delta Zeta lives forever in her golden lamp and rose...  
Her lamp (her lamp) and rose.

\*\*\*\* 3 people will be singing the song and we will be singing  
with a cassette tape \*\*\*\*

SUZY GRINCH  
By Gamma Tau Chapter at Bowling Green State University

You're a mean one, Suzy Grinch  
You have termites in your smile  
You're as cuddly as a cactus  
You're as hard as any heel  
Suzy Grinch  
You're meaner than a seasick crocodile.

We're friendly and we're sharing  
Suzy Grinch  
Come on you'll like us  
Give us a try!

You could be nice now, Suzy Grinch  
We know you'll like our DZ type of style  
We're loving and we're caring

NICE SONG  
"Love Theme" from St. Elmo's Fire  
By Kappa Chi Chapter at Youngstown State

We are here just to share with you  
How we feel about each and all of you.  
You are the best, you mean so much,  
Just you and me, Forever Dee Zee.

We chased that dream that we have found  
And sometimes we let one another down  
But the love we've made, makes it alright  
We are the best, Forever Dee Zee.

Time goes on, people touch and then they're gone  
then you and I, we'll always be here, for each other

Someday when we both reminiscene  
We'll both say, there wasn't too much we missed  
And through the tears, we'll smile when we recall  
We had it all, Forever Dee Zee.

Time goes on, people touch and then they're gone  
But you and I, we'll never really end, we'll always be.

We laughed until we had to cry and we loved  
right down to our last goodbye  
We are the best, that we will be  
Just you and me, forever . . .

THE LAMP AND ROSE  
By Kappa Iota Chapter at Wright State University

Oh, the girls of Delta Zeta  
Have a lamp to light their way  
And it's glow, that flame eternal  
Grows brighter every day

For our lamp of gold is burning  
With friendship's brightest light  
And faith and hope will guide us  
Through storm and dark of night

It's that light, that flame that's burning  
For sisters far and near  
And the dream of lasting friendships  
That always will be dear

Delta Z - I love you truly  
You're every thing to me  
In the flame our love keeps burning  
So everyone can see
