

**I LOVE ROCK AND ROLL (JOAN JETT):**

Saw them playing Frisbee golf outside Stuy.

Knew they must have been Sigma Chi's.

Soon it'll be Derby Days

~~And~~ DZ loves Derby Days!

Then we'll be movin' on and it'll be fun! (Delta Z!)

And Sigma Chi will be movin' right along with Delta Z!

Singin':

We love Sigma Chi!

So do a little dance on our front lawn, baby!

We love Sigma Chi!

So come on have some fun with Delta Z!

We love Sigma Chi!

So do a little dance on our front lawn, baby!

We love sigma chi!

So come on, have some fun with Delta Z!

## I WILL SURVIVE (DIANA ROSS):

At first we were afraid, we were petrified  
We kept thinkin' we could never live without a Sigma Chi  
But then we came to Derby Days  
Just seein' all your crazy ways  
And we grew strong  
We came here to sing our song!  
And so we're back!!  
Up on the hill  
We just walked in to find Greg and Tim and give you all a thrill  
We should have left those Beta boys,  
We should have ditched those ATO's,  
And if we see another Delt, we're gonna punch him in the nose!

(Chorus)

Oh Sigma Chi, walk in our door  
Just turn around now - and dance a little more  
Weren't you the ones who made us sign your white t-shirts?  
Did you think we'd stray?  
Did you think we'd leave our Sigma Chi's?

Oh DZ - loves Sigma Chi!

As long as we have tom and CHRIS we know  
that we'll get by

We've got all our lives to live  
We've got all our love to give  
To Sigma Chi  
Oh Sigma Chi!!

YEAH YEAH!!!!!!!!!!!!!! (SCREAM AND GO NUTS!!)

## **WE LIKE TO PARTY (VENGABOYS)**

We've got something to tell ya.  
We've got news for you!  
Gonna get our house in motion;  
The Delta Zees are coming through!

Hey Now! Hey Now! Hear what we say now!!  
Derby Days is just around the corner!  
Hey Now! Hey Now! Hear what we say now:  
To Sig Chi we'll be true!

The Delta Zee's are coming,  
And Sigma Chi is jumping!  
In Delaware, Ohio  
The Sigma Chi's are fly, yo!  
Other houses aren't ready  
for Delta Zeta, baby!  
So if you want a good time  
Then just keep singing this rhyme!!

Hey Now! Hey Now! Hear what we say now!!  
Derby Days is just around the corner!  
Hey Now! Hey Now! Hear what we say now:  
To Sig Chi we'll be true!

I've got sunshine on a cloudy day.  
When it's cold outside  
I've got Derby days.  
I guess you'd say  
What can make me feel this way?  
Sigma Chi  
Talkin' 'bout Sigma Chi. (Sig Chi)

I've got so much loving, I'm a DZ.  
I've got a brotherhood  
That loves DZ.  
I guess you'd say  
What can make me feel this way?  
Sigma Chi  
Talkin' 'bout Sigma Chi. (Sig Chi)

Hey hey hey  
Hey hey hey  
Ooooh.

I don't need no money, fortune, or fame.  
I've got a brotherhood  
no man can claim.  
I guess you'd say  
What can make me feel this way?  
Sigma Chi  
Talkin' 'bout Sigma Chi (Sig Chi).
