You'd see 'em wearing their badges
Their DZ letters, too
The greatest girls in the nation
Joining Delta Zee*You'll have sisters at OWU

*All over the nation
*Wearing pink and green

*Joining Delta Zee

Once recruitment's over
and you're a Delta Zee
You will have new sisters
And friends we'll always be
We'll be playing in jell-o
For our philanthropy
You'll be going Delta
Going Delta Zee.

I WANNA BE A DELTA ZETA
I don't care what my greek letters say
I'm going to be a Delta Zeta
Everyone loves pink and green, wait and see
When I'm a Delta Zeta
And I'll have my sisters with me
And everyone has turtles

I'm going to be a Delta Zeta (2X)

OLD TIME DELTA ZEE

Just take those old sororities off the shelf
I'm gonna pick one made just for myself
Delta Zeta has just what I like
They'll make my college life out of sight

Don't try to fool me with your phony way
The one I've chosen is in my heart to stay
Delta Zeta has just what I like
They'll make my college life out of sight

I've got that DZ spirit in my soul
Those kind of girls just make the good times roll
I'm looking forward to the times we'll share
Delta Zeta will always be there

GIVE ME JUST ONE NIGHT

You keep telling me you want me
To find the right sorority
I know that deep inside I'll be greek
No one else will choose for me
Don't you try to hide the secret.
I can see the rose and green.
You said the words without speaking
Now I'll tell you what I mean.

Give me just one night, Delta Zeta
A moment to be a DZ
Give me just one week, little turtles
To fell you're the sisters for me.

DZ(CRAZY)

DZ, I'm so into you
You've got that something, what can I do
Dz's the one I've found
The earth is movin, but I can't feel the ground
Everytime I'm with DZ
We have so much fun, it's easy to see
Sisters (DZ) love means so much more
More than anything I ever felt before

I'm going DZ
Yes, it's for me
I'm so excited, as you can see
Dee Zee, but it feels alright
Baby thinkin' of you keeps me up all night
