Everyone

(Aloha e aloha e, 'Ano 'ai ke aloha e, Aloha ae aloha e, A nu ay ki aloha e)

There's no place we'd rather be

Then with all our sisters in DZ

And if we had one wish for you

And if we had one wish come true

You'd choose to go DZ

And we could be sisters

(A wiki wiki mai lohi lohi, Lawe mai i ko papa he'e nalu)

Livin life with all our sisters in ~~DZ~~ Delta Zee

Always happy in pink and green

We're the cutest girls you've ever seen

On bid night we hope you know

Exactly which house you want to go

Remember the girls at Delta Zee

We'll remember you too, just wait and see

Having fun, we're fancy free

With all our sisters in DZ

There's no place we'd rather be

Than in this house with you and me

You can relax and be at ease

So just be yourself, if you please

Jokes, laughter, having fun

The good times are never done

(Lalala i kala hanahana, me ke kai hoene i ka pu'e one)
