

Rush Songs 1998

Hey Baby from Dirty Dancing

Hey, hey-ey rushee!
We want to know--if you'll be our girl.

When we saw you walking down
Winter Street
We said that's the girl that we want
to meet.
C'mon rushee give DZ a whirl.,
We want to know if you'll be our girl.

Hey, hey-ey rushee!
We want to know--if you'll be our girl.

Girls Just Want to Have Fun--Cyndi Lauper

Come home from rush at night
My roomie says when you gonna make up
your mind
Oh roomie, dear I know where to go
And DZ's the one-uh for me-e. That's
where I want to be-e.

I wake up in the middle of the night
With thoughts of green jello running all
~~the~~ through my mind
Oh Delta Zeta you know you're my number
one
OH, DZ's the one for me-e. that's where I
want to...

~~That's~~
That's all I really want
Some fun
When the rushing time is done
DZ's the place for me-e.
Oh, that's where I want to be.

Footloose

Yeah rushing, it's hard.
You're walking so far
Four days, for what?
We'll tell you what we've got!

DZs the best place
to have some fun with great friends!
Oh, it's the right place
to be 'til the end.

Cuz' were about
pink and green
it's so much fun that we'll scream
Please rushee, come on into DZ
Formals, mystery dates
we like to stay up late
Come in please,
Everybody join DZ.

Grease--

"You are the One that I Want"

Delta Zee, we're multiplyin'
And we're taking control
'Cause the power we're supplyin'
It's electrifyin'!
Better shape up, Cause we need a pledge
And our hearts are set on you.
Better shape up,
You better understand
That the Dee Zee love is true....

You're the one that we want.
You're the one we want
Ooh, ooh ooh, pledge us (3X)

The one we need, oh yes indeed.

Hooray for Hollywood

Hurray for Delta Zee, it is the very best sorority,
it's known for turtles and kilarney rose, a lamp that glows,
love that always grows,
sisters dear, through laughs and tears,
friendship always shows.

Hurray for Delta Zee, we are the very best sorority,
we hope that you decide to join us now, then we'll show you how,
we'll always be there for you.
