

Everything You Need to Know About Rush Songs!!

First Set

I'm -- so proud to be -- a D-E-L-T-A Z, Delta Zee (repeat once)

Give me a D and an E and an L-T-A,
And a Z and an E and a T-A.
Delta Zeta, Delta Zeta, is the one you should choose,
Be a DZ girl and you just can't lose.
Delta Zeta, Delta Zeta says "How do you do?"
Delta Zeta, Delta Zeta does -- welcome you,
So come on in, here's your cue.
We're the DZ girls and you could be, too.

Exit music:

Boom, boom, boom, boom
Delta Zeta says good-bye to you.
Boom, boom, boom, boom,
Hope you'll miss us, 'cause we'll miss you, too.
Boom, boom, boom, boom,
Up to now it's been a lot of fun.
Delta Zeta, Delta Zeta, it's the only one.
And we want you to hear it,
Our Delta Zeta spirit,
So let our voices ring, OHHHHHHHHH
Delta Zees, we are the Delta Zees.
We are the one and only sorority.
It's Delta Zeta, Delta Zeta,
Good-bye, from Delta Zee.
Boom, boom, boom, boom.

(Repeat as above)
We love the lamp of gold, deep down in our hearts.
(Repeat as above)

Third Set

Oh, the girls of Delta Zeta have a lamp to light their way,
And it's glow, that flame eternal, grows brighter every day.
For our lamp of gold is burning, with friendship's brightest light,
And the faith and hope will guide us through storm and dark of night.
It's that light, that flame that's burning for sisters far and near,
And the dream of lasting friendship that always will be dear.
Delta Zee, I love you truly, you're everything to me.
In the flame, our love keeps burning, so everyone can see.
Sisters all, we stand together through the good times and the bad,
And we learn to help each other when a sister's feeling sad.
Just remember, even when our college days come to a close,
Delta Zeta lives forever in her golden lamp and rose.

D-Z, everybody knows, golden lamp and Killarney rose, (first time, unison.
How I love the rose and green, Delta Zee. second time, as a round, starting in
front chapter room.)

Oh, Delta Zeta is to me a friend, a love, a loyalty,
A sisterhood, a way of life, a faith to the rose and green.
So, through my life I'll stand, with all my sisters, hand in hand.
The flame will guide my way through life as a Delta Zeta.

COCA-COLA SONG

The pearls will always shine,
The diamonds always gleam,
Friendship here with us is always the real thing
Join the pink and green, you'll be number one,
Wherever there is fun, there's always Delta Zeta.
Do do do do do, do do do do
Do do do do do, always Delta Zeta
Sisterhood, mixers, and Greek week we do
The great times we have, you'll never be blue.
So come along with us, we'll always be true,
Wherever there is love, there's always Delta Zeta.
Do do do do do, do do do do
Do do do do do, always Delta Zeta.

And she's just mad about me...
They call us Delta Zeta (3x)

Chorus 1:
Baby, it's the way you make me
Can you get me go DZ
Never wanna stop

On DZ friends you can depend.

DZ QUEEN

Friday night when the sun sets low, looking out for a place to go,
I can always find a DZ, having fun is always easy no matter what we do.
Delta Z's a great place to be. Friends and fun and philanthropy.
Formals, mystery dates, whatever, we have fun when we're together,
DZ has touched our hearts

Chorus 1:
And once she came our way, she was a DZ Queen, young and sweet, barely 5 foot 3.
DZ Queen, feel the love of Greek community.
She was once just like you, now she's having the time of her life. Oooh...
See that girl, loving the pink and green, being a DZ Queen.

Turtles and the Kilarney Rose, symbols help our traditions grow.
Sisterhood is a bond, and as time passes on, it grows forever strong.

Chorus 2:
And once YOU come our way, YOU'LL be a DZ Queen, young and sweet, barely 5 foot 3.

And DZ we saw only you

(repeat Chorus 2 and some other lines)

DELTA ZETA JIVE (MAMBO #5)

Hey everybody
It's the Delta Zeta Jive
1,2,3,4,5
Everybody in the house do the DZ jive
With the girls I'm proud to call my sisters
They all really want to meet you
And you just have to listen
While we sound out a quick role call
It won't take long
Just most of this song
We've got Jennifers, Jennis, Jessicas, and Jens
And let me continue to tell you 'bout my friends
We got two Nicoles and the Rachels number four
But the rest of us are quite original
Here we go... It's all good... so just listen to the sound off begin

A little bit of Marcy, Michelle, and Jess
A little bit of Ericka, Sara, and Beth
A little bit of Glenda, Carrie, and Kelli
A little bit of Leah, Alissa, and Betsy
A little bit of Sandra, Whitney, and Megan
A little bit of Lindsey, Amanda, and Shannon
A lot of DZ love is what we are
A little bit of you will give us more

Jump up and down and move it all around
Shake your head to the sound
Put your hand on the ground
Take one step left, and one step right
One to the front, and one to the side
Clap your hands once, and clap your hands twice
And if it looks like this
Then you're doing it right

A little bit of Natalie and Liz
A little bit of Beth Ann, Denise, and Jill
A little bit of Allison, Erin, and Mollie
A little bit of Jasmine, Rebecca, and Missy
A little bit of Kayle and Traci
A little bit of Tricia, Laura, and Cassie
A lot of DZ love is what we are
A little bit of you will give us more
