

## **Under the Sea**

The sororities are always better  
In somebody else's eyes  
You dream about going to one  
And there is a great surprise  
Just look at the girls around you  
Right here on Winter Street  
Such wonderful girls surround you  
What more are you lookin for

On Winter Street  
On Winter Street  
Darling it's better down with the DZs  
Take it from me  
Up on the hill they play all day  
On academic side they slave away  
While we devotin  
Full time to hoping  
On Winter Street

Down here all the girls are happy  
As off to the hill they roam  
The girls in the dorms aint happy  
They're sad cause their own their own  
But girls in the house are lucky  
Cause they got all the boys around  
One day when the boys are lonely  
Guess which sorority they go

On Winter Street  
On Winter Street  
Darling it's better down with the DZs  
Take it from me  
Up on the hill they play all day  
On academic side they slave away  
While we devotin  
Full time to bondin  
On Winter Street

## **Kokomo**

The ro-ose, the la-amps, oo I wanna  
show ya  
The turtle, the diamond, oh you gotta  
mind'em  
DZ, Delta Zeta, baby why don't we go  
Ooo I wana take you down to DZ-land

Down Winter Street  
There's a place called DZ-Land  
That's where you wanna go to get away  
from it all

Sisters in the flame  
Jello tugging on the hill  
We'll be fallin in love  
To the rhythm of a steel drum band  
Down in DZ-land

The ro-ose, the la-amps, oo I wanna  
show ya  
The turtle, the diamond, oh you gotta  
mind'em  
DZ, Delta Zeta, baby why don't we go

Ooo I wana take you down to DZ-land  
Well get there fast if we take it slow  
That's where we wanna go  
Way down to DZ land

To DZ sisterhood that can't be beat

We'll put on the green,  
Wear pink to show off DZ  
Philanthropy defies a bit of gravity

Tiki Party  
Mocktails and moonlit nights  
That dreamy look in your eye  
Give me a tropical contact high  
Way down in DZ land

The ro-ose, the la-amps, oo I wanna  
show ya

The turtle, the diamond, oh you gotta  
mind'em  
DZ, Delta Zeta, baby why don't we go  
Ooo I wana take you down to DZ-land

Ooo I wana take you down to DZ-land  
Well get there fast if we take it slow  
That's where we wanna go  
Way down to DZ land

To DZ sisterhood that can't be beat

Everybody knows  
A place like DZ land  
Now if you wanna go  
And get away from it all  
Go down to DZ-Land

The ro-ose, the la-amps, oo I wanna  
show ya  
The turtle, the diamond, oh you gotta  
mind'em

Not clashin', not at all but see my sisters do a little dancin'  
Now that's for anyone askin', DZ is rockin'

We're rapping right in to your number one spot  
Not fickle not snobby, we want your true self  
Fun loving DZ sisters on the front porch laughin  
Delta Z rocking the boat, make it feel like just sisters are here on the ship  
But I know y'all wanted that DZ love when you felt the Delta Zeta beat  
But I know y'all wanted that DZ love when you felt the Delta Zeta beat

Come be a DZ too  
Come be a DZ too  
Come be a DZ too  
Come be a D, Come be a Z
