

## **Jamaica Me Crazy (to the tune of Kokomo – from State Day 1992)**

We're in Jamaica  
Ooh we want to take ya  
To parties; to chapter  
All that fun and laughter  
Phi Delt, FIJI, ooh and SAE  
Jamaica

Oh those Delta Zees  
Know a place on Winter Street  
Where they all like to meet  
They really can't beat  
Parties in the sand  
Gallons of Jungle Juice in our hands  
You'll be falling in love to the rhythm of the DZ band  
Down in Jamaica

Jules and Becky  
Ooh and Jen and Stacy  
Leigh and Lisa  
Ooh and Molls and Amy  
Are some of the women  
In the house of DZ  
Hope you wanna go  
Rush goes so fast and then we'll take it slow  
That's where you'll wanna go  
Out with the Delta Zees  
The Hill, they all get such a thrill

Everybody knows  
A little place called Delta Zee  
It's where I wanna be  
Why don't you try and see  
Afternoon delight  
Cocktails and moonlit nights  
That dreamy look in his eyes  
Gives him a trop-i-cal DZ high  
Way down Jamaica

We're in Jamaica  
Ooh we wanna take ya  
To parties; to chapter  
All the fun and laughter  
Phi Delt, FIJI  
Ooh they're all sayin' go Delta Zee

Rush goes so fast  
But then wait you'll see  
That's where you'll want to be

Come on and Pledge DZ!
